R. THOMAS GAGLARDI

OWNER AND GOVERNOR

R. Thomas (Tom) Gaglardi is the owner and governor of the Dallas Stars Hockey Club and the president of Northland Properties Corporation, the largest family-owned hospitality company in Canada with its head offices located in Vancouver, B.C. He was officially introduced as the sixth owner in franchise history on November 21, 2011.

Since acquiring the club, Gaglardi has revitalized hockey in the Dallas-Fort Worth Metroplex, overhauling the team's front office by hiring veteran administrator Jim Lites to serve as president and installing one of the most respected hockey minds in Jim Nill as general manager. He also spearheaded the overhaul of the team's logo and uniform, forging a new identity for the club to fit his vision. Under his watch, industry insiders have consistently identified the Stars as a team "on the rise" for both the business and hockey operations side of the organization. During the 2014-15 season, Gaglardi purchased the Texas Stars of the American Hockey League (AHL) and acquired the operating rights to H-E-B Center at Cedar Park in Cedar Park, Texas. The move reinforced his commitment to sustaining and growing the sport of hockey in the state of Texas and creating a seamless organizational process to develop and train NHL-caliber players, coaches and front office staff.

A passionate and knowledgeable leader who is deeply involved in all aspects of the family's business, Gaglardi began his career in the hospitality industry at age 13 as a busboy and has worked in virtually every area of his business since that time. He spent considerable time in construction, hotel and restaurant operations, real estate development and finance. At age 23, he was promoted to president of the Sandman Hotel Group, and at 26 he became president of Northland Properties Corporation, the Gaglardi family's umbrella company.

Under his direction, Northland has grown to be the largest family-owned hospitality company in Canada including a large portfolio of hotels with the Sandman Hotel Group and the Sutton Place Hotels & Resorts, several restaurant chains including Denny's Restaurants of Canada, Moxie's Classic Grill, Chop Steakhouse & Bar and Shark Club Bar & Grill. In 2009, Gaglardi began expanding his brand of hospitality to the United Kingdom and will soon be operating in North Texas with the planned opening of the first Sandman Hotel and Moxie's Classic Grill in the United States. The family also owns and operates a large real estate portfolio and the world renowned Revelstoke Mountain Resort. In addition to his role with the Stars, Gaglardi is a co-owner of the Kamloops Blazers Hockey Club of the Western Hockey League and serves as its governor.

An active member of the community, Gaglardi founded the Sandman Harvest Foundation, which has raised over $1 million for disadvantaged and medically challenged children living in the Okanagan Valley of British Columbia. He also serves as trustee for the PA and JM Gaglardi Senior Citizens Society, a non-profit society providing housing for seniors in Kamloops, B. C. and serves on the board of St. George's School in Vancouver. He founded the Josh Dyck Foundation to assist Josh with his recovery from an auto accident in October 2006, which left him paralyzed and confined to a wheelchair.

Gaglardi and his wife Brittney have three sons, Charlie, Bennett and Wilson, all of whom play competitive hockey. In addition to his own participation on his hockey team, Gaglardi enjoys playing golf and spending time with his family at their cottage on the shores of Kamloops Lake near Savona, B.C.

JAMES R. LITES
CEO

Dallas Stars owner Tom Gaglardi appointed Jim Lites President and CEO of the Stars on Nov. 18, 2011. Lites is very familiar with the position having held it twice previously under prior owners Norm Green and Tom Hicks.

Shifting his role to solely serve as the team's CEO in 2018, Lites boasts a reputation as one the finest administrators in professional sports. He continues to work with Mr. Gaglardi on the day-to-day business activities of the Stars, while overseeing the hockey operations department and continuing to chair the Dallas Stars Ownership Advisory Group. Lites also maintains his role as the organization's Alternate Governor, a role he held from 1982-2007. Over the years Lites has served on the Board's marketing, broadcasting, expansion and game committees.

Over the course of Lites' two prior stints with the Stars (1993-02; 2003-07), the team won seven division championships, two Western Conference championships, two Presidents' Trophies, and the 1999 Stanley Cup. He played an active role in the conception, design, construction and on-going business operations of American Airlines Center and Dr Pepper StarCenter ice facilities. Most recently, Lites played a significant role in hiring General Manager Jim Nill, purchasing the Texas Stars of the American Hockey League (AHL) and the operating lease of the H-E-B Center at Cedar Park in Cedar Park, Texas.

From 1999-02, Lites also served as president of MLB's Texas Rangers, becoming one of only four executives at the time to simultaneously manage the affairs of two major league franchises. He served three years on MLB's Executive Council and was President when the Rangers captured the 1999 American League West championship.

Prior to joining the Stars in 1993, Lites served 11 years as chief operating officer of the Detroit Red Wings, who during his stint, won three Norris Division championships and two Norris Division Playoff championships after having missed the playoffs in 10 of the 11 seasons before his hiring. During his tenure, the Red Wings were named by Financial World magazine as the most valuable franchise in the NHL in 1990, 1991, 1992 and 1993. Lites was also instrumental in the defection of former Soviet stars Sergei Fedorov, Vyacheslav Kozlov and Vladimir Konstantinov, each of whom played important parts of the Red Wings' record-setting and Stanley Cup champion hockey clubs.

While with Detroit, Lites also served as chief operating officer of Olympia Arenas, Inc., one of the Midwest's largest facility management companies. He was also responsible for the redevelopment of Detroit's historic Fox Theatre, now the most successful entertainment venue of its type in the United States and the cornerstone of Detroit's growing northside sports, entertainment and gaming complexes.

From 2007 until being rehired by the Stars in 2011, Lites managed the New York Football Giants' Personal Seat License program at MetLife Stadium in East Rutherford, N.J. That program was one of the most successful of its type in history.

Born and raised in Pentwater, Mich., Lites received a bachelor of arts degree with highest honors from the University of Michigan in 1975 and graduated cum laude from Wayne State (MI) University Law School in 1978. He specialized in litigation and labor contract negotiations when he practiced law. Jim and his wife Kim reside in Frisco. They have four children, sons Chase, Sam, Chandler, and daughter, Brooke.

BRAD ALBERTS
PRESIDENT

Brad Alberts is in his second tenure with the Dallas Stars and currently serves as President after rejoining the team in February, 2011.

Named team President on March 2, 2018, Alberts oversees all aspects of the Stars business operations. Previously leading all sales and marketing, he is also in charge of all aspects of the organization's finance and administration, box office, human resources and information technology. Additionally, Alberts serves alongside Stars CEO Jim Lites on the American Airlines Center Board of Directors, assisting in the management of one of the busiest arenas in the United States. Alberts will also continue to act as president and alternate governor of the Texas Stars, Dallas' top development affiliate in the American Hockey League, roles which he has served in since July 1, 2017.

Alberts' career includes nearly two decades of professional sports experience selling tickets, suites, premium seating, and sponsorships. From 1996-2009, Alberts worked for the Dallas Stars and Texas Rangers in various sales management roles in tickets, suites and corporate sponsorships. From 2006-09, Alberts served as the Executive Vice President of the Hicks Sports Marketing Group, the in-house sponsorship sales group for the Stars, Texas Rangers, and Liverpool Football Club. In 2009, Alberts took over as the Vice President of Sponsorship and Sales at Legends/CSL, overseeing a number of events at numerous venues around the country, most notably the Circuit of The Americas, a Formula One racing track in Austin, Texas.

Since rejoining the team in 2011, Alberts has played an integral role in the resurgence of the Stars in the Dallas-Fort Worth Metroplex, helping lead the organization to tremendous growth in brand visibility, attendance and sponsorship sales. Alberts and his leadership team were instrumental in the sweeping rebrand of the team, retiring the numbers of Mike Modano and Jere Lehtinen and creating tremendous sponsorship value for the team and its partners.

Alberts received his bachelor's degree from Ripon College in 1992 where he was a four-year lettermen and co-captain of the basketball team, earning an induction into the Ripon College Athletic Hall of Fame in 2002. He received a master's degree in sports administration from Northern Colorado in 1995. Alberts is an avid golfer, and fitness enthusiast. He resides with his wife and their daughter, Grace, in Southlake, Texas.

JIM NILL

GENERAL MANAGER / ALTERNATE GOVERNOR

In five seasons as general manager of the Dallas Stars, Jim Nill guided the team to the 2015-16 Central Division title for its first division title since the 2005-06 season. The Stars also earned the top playoff seed in the West in 2015-16 as the team's 50-23-9 record (109 points) led the Western Conference during the regular season. Nill, who was appointed to the position on April 29, 2013 by owner and governor, Tom Gaglardi, is the 11th general manager in franchise history and the sixth since the team moved to Dallas.

Since joining the Stars, Nill has dramatically re-shaped the team's culture and roster with a series of trades and acquisitions. In the summer of 2013, he began to make his mark on the club by acquiring young superstar center, Tyler Seguin, in a blockbuster, seven-player deal with the Boston Bruins. Seeing the need for continued depth at the center position, Nill once again made headlines in the 2014 offseason by bringing in center Jason Spezza via trade with Ottawa to give the Stars one of the most dynamic one-two combinations in the NHL. In 2015, he acquired three-time Stanley Cup champion Patrick Sharp in a trade with the Chicago Blackhawks, and after leading the team to regular-season Central Division and Western Conference championships in 2015-16, Nill was named a finalist for GM of the Year, marking his first career nomination. After a disappointing 2017-18 campaign, Nill spearheded the search for a new head coach before hiring Jim Montgomery, an accomplished bench boss most recently with the University of Denver.

At the end of the 2014-15 season, Nill was named general manager of Canada's National Team for the 2015 IIHF World Championship in the Czech Republic and constructed a roster that captured the gold medal at the tournament. Under his leadership, Team Canada touted a perfect 10-0 record and featured Dallas Stars players Tyler Seguin, Cody Eakin and Jason Spezza, who was named the top forward of the tournament by the IIHF directorate. Previously, Nill has won gold medals when he served as general manager for Team Canada at the 2004 IIHF World Championship and as assistant general manager at the 2003 IIHF World Championship.

Prior to joining the Stars, Nill spent a total of 19 seasons as a member of the Detroit Red Wings management team, the last 15 of those as the team's assistant general manager. His responsibilities with Detroit included directing the amateur scouting department, overseeing all selections at the NHL Draft, as well as managing the development of the organization's prospects at both the professional and amateur levels. During Nill's tenure in Detroit, the Red Wings had more wins than any other franchise in the National Hockey League, won four Stanley Cups (1997, 1998, 2002 and 2008), six Presidents' Trophies (1995, 1996, 2002, 2004, 2006 and 2008), 12 Central Division titles (1995, 1996, 1999, 2001, 2002, 2003, 2004, 2006, 2007, 2008, 2009 and 2011), seven regular season Western Conference titles (1995, 1996, 2002, 2004, 2006, 2007 and 2008), and never missed the playoffs. He was an integral part of Detroit's drafting of Pavel Datsyuk, Henrik Zetterberg, Niklas Kronwall, Valtteri Filppula, Jimmy Howard and Johan Franzen, amongst others.

The Hanna, Alta., native joined the Red Wings' front office in the summer of 1994 following three seasons with the Ottawa Senators. Previously, Nill enjoyed a nine-season NHL career as a right wing with the Boston Bruins, Vancouver Canucks, St. Louis Blues, Winnipeg Jets and Red Wings. He collected 58 goals, 87 assists and 854 penalty minutes in 524 regular-season games. Nill later went to Adirondack as a player/coach, retiring as a player after the 1990-91 season. A member of the 1979-80 Canadian National and Olympic teams, he was a fifth-round pick of the St. Louis Blues (89th overall) in the 1978 NHL Draft.

Jim and his wife, Rebecca, reside in Frisco, Texas and have three children: Jenna, Trevor and Kristin, and two grandchildren: Cael and Hazel.

LES JACKSON

SENIOR ADVISOR TO THE GENERAL MANAGER

Les Jackson is in his 31st season with the Stars, dating back to the club's days in Minnesota. Entering his second season as senior advisor to the general manager, Jackson will be responsible for observing and evaluating talent from the amateur and professional ranks all around the world and will serve as counsel regarding the draft, free agency and trades.

Jackson, 64, is widely respected as one of the best talent evaluators in hockey, having helped build the Stars into the consistently competitive hockey club that it has become over the last two decades. Learning from the tutelage of respected general managers such as Bob Clarke, Bob Gainey and Lou Nanne, Jackson also assisted in the evaluation of players as it related to movement within the organization, including the entry draft, trades and free agent signings. During Jackson's tenure, the Stars have selected future NHL stars such as Mike Modano, Derian Hatcher, Jere Lehtinen, Jarome Iginla, Marty Turco, Brenden Morrow, Jamie Benn, John Klingberg, Valeri Nichushkin and Loui Eriksson among others.

Jackson, a native of Manning, Alta., was drafted by the Boston Bruins in 1972 and played two seasons in the minors prior to his career as a hockey executive. His minor professional coaching career included stints in Billings and Great Falls, Mont., Tucson, Ariz. and New Westminster and Revelstoke, B.C. He also spent five years as assistant coach and general manager of the Western Hockey League's Brandon Wheat Kings.

SCOTT WHITE

ASSISTANT GENERAL MANAGER/TEXAS STARS GM

Scott White is in his third season as assistant general manager, having spent the previous three seasons as the team's director of hockey operations. He also serves as the General Manager for the Texas Stars, Dallas' development affiliate in the American Hockey League (AHL). He was the architect behind the 2015 Calder Cup-winning Texas Stars, a team that set a franchise record with 48 wins, claiming the Macgregor Kilpatrick Trophy as the AHL's regular-season points champion, as well as the John D. Chick Trophy as the West Division champions. He also manufactured the team's second John D. Chick Trophy win in 2018 as Texas fell to the Toronto Marlies, four-games-to-three, in the Calder Cup Final. The only General Manager in the history of the Texas Stars Hockey Club, White was selected by Hockey Canada to serve as a member of the management group for Canada's National Men's Team at the 2014 Deutschland Cup and 2014 Spengler Cup.

A member of the Dallas Stars organization since 2005, White, 49, previously served as a professional scout and director of minor league operations. He headed up the hockey department for the Iowa Stars, Dallas' then-primary affiliate, for three seasons. Prior to joining the Stars organization, he served as head coach of the Columbia Inferno of the ECHL for four seasons, qualifying for a playoff berth each year. He also guided Columbia to a Kelly Cup Final appearance in 2003 and finished with a 165-87-36 record (.635) in over four seasons with the Inferno. In Columbia, he was responsible for all the club's hockey operation activities, including recruiting, scouting, trades and roster moves. White worked as an assistant coach with the Greensboro Monarchs (ECHL) for a season and a half, and was an assistant coach at his alma mater, Michigan Tech University, from 1994-99.

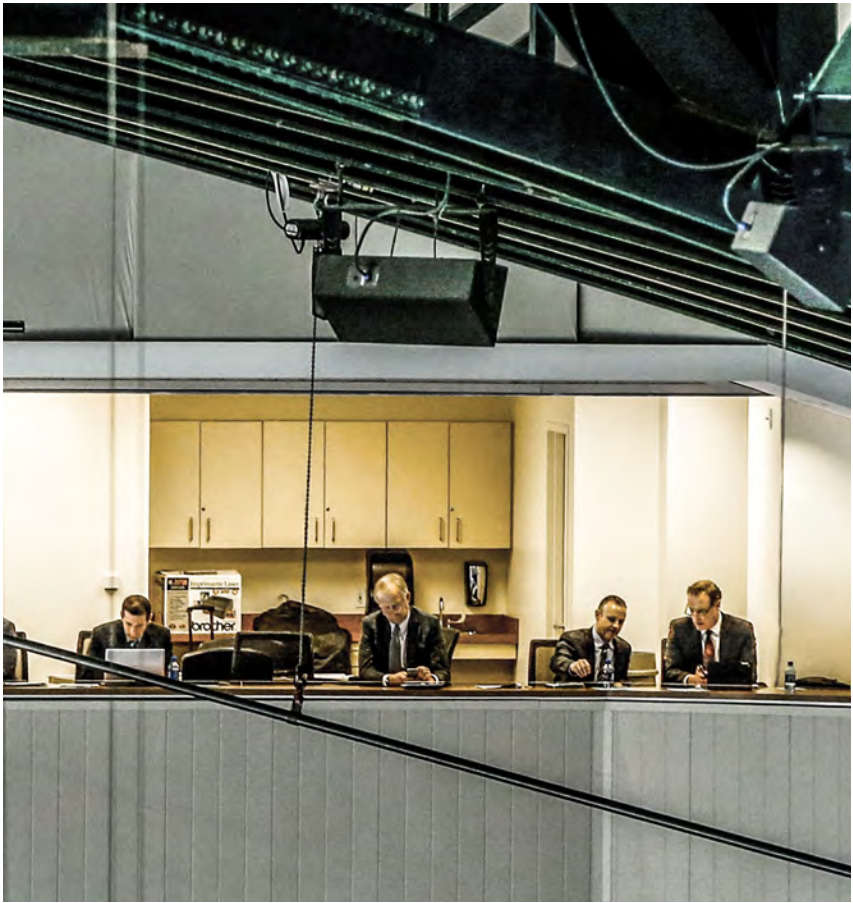
White played five years of professional hockey from 1989-94, including three seasons with Greensboro, where he won the 1990 ECHL Championship and earned ECHL Defenseman of the Year and First-Team All-ECHL honors for the 1991-92 season. He signed with the Ottawa Senators in 1992 and played the entire season with the club's developmental affiliate in New Haven, capturing team MVP honors after posting 54 points (10-44=54) in 80 games. The Quebec native finished his professional career with 235 points (55-180=235) in 190 regular-season games and 40 points (8-32=40) in 41 postseason games.

White and his wife, Kathy, have four children: Emily, Katie, William, Madelyn and two grandsons, Corbin and Cooper.

MARK JANKO
ASSISTANT GENERAL MANAGER

Mark Janko is in his 19th season with the Dallas Stars organization, and his third as assistant general manager. Janko has spent the past eight seasons in Hockey Operations after previously working in the Stars public relations department for eight years. Janko is currently responsible for player and staff contract negotiations, preseason and regular-season scheduling, Collective Bargaining Agreement compliance, cap and budget management, salary arbitration, strategic planning and works closely with Dallas' scouting staff, with an emphasis on the professional level. He also serves as the team's liaison for all player transactions with NHL's Central Registry.

Janko, 41, joined the Stars in 1999 after serving in the media relations department for the Mighty Ducks of Anaheim during the 1998-99 season. A 1998 graduate of the University of California at Santa Barbara with a degree in communications, Janko is a native of Mission Viejo, Calif. He and his wife, Jessica, their daughters, Reese and Hayden, and son, Carson, reside in Highland Village, Texas.



J.J. MCQUEEN
PLAYER DEVELOPMENT COORDINATOR

J.J. McQueen is in his 24th season with the Dallas Stars organization. His current job duties as player development coordinator include monitoring all Dallas Stars prospects, both at the amateur and professional levels, as well as coordinating Dallas' annual Development Camp in July. Prior to moving into his current role, McQueen spent 18 season as the club's Strength and Conditioning Coach.

He previously spent 10 years with the three-time Memorial Cup champion Kamloops Blazers of the Western Hockey League as a strength and conditioning coach and scout. McQueen graduated from the Canadian Forces School of Physical Education and Recreation in 1974 and spent 21 years with the Canadian Army as a Phys-Ed instructor. McQueen also served as head coach for both the soccer and wrestling teams at Canada's Royal Roads Military College.

McQueen resides in Coppell, Texas with his wife, Claudia, and their daughter, Erin.

RICH PEVERLEY
PLAYER DEVELOPMENT COORDINATOR

Rich Peverley is in his fourth season as player development coordinator for the Dallas Stars. In his role with the team, Peverley will monitor the development of drafted Dallas Stars prospects, with an emphasis on the amateur level, and will assist J.J. McQueen in the coordination of Dallas' summer Development Camp.

Peverley played nine seasons in the National Hockey League, spending time with Nashville, Atlanta, Boston and Dallas. He finished his career having tallied 241 points (84-157=241), including 20 game-winning goals, in 442 regular-season contests. AMERICAN AIRLINES CENTER

One of the finest multi-purpose venues in the world, American Airlines Center has served as the home of the Dallas Stars since 2001, playing host to over half-a-million hockey spectators annually and over 2 million spectators total annually.

Designed by world-renowned architect, David M. Schwarz and Dallas-based HKS Inc., American Airlines Center encompasses over 800,000 square feet and includes 105 luxury suites, 36 Service King Lounge theatre-box suites, 25 Cyrus One Club loge boxes, 17 Loft seating boxes, two fifty-person Ford Party boxes and room for 18,532 hockey fans. Its brick and glass façade, sweeping vistas of downtown Dallas, double-vaulted ceilings and welcoming signature arches give the Center a unique combination of a modern, yet classically-elegant design that is perfectly suited for Dallas' "larger-than-life" Texas spirit.

No stranger to hosting major sporting events, the American Airlines Center, in conjunction with the Dallas Stars and National Hockey League, hosted the 2018 NHL Draft from June 22-23, 2018. The venue has also hosted the 2017 NCAA Women's Final Four, 2002 & 2006 NCAA first and second Round Men's Basketball Tournaments, The Phillips 66 2003, 2004, & 2006 Men's Big 12 Basketball Tournaments, 2009 U.S.A. Gymnastics Visa Championships and other events such as Boxing and Ultimate Fighting Championships. It was also a proud host of the 2007 NHL All-Star Game, 2006 and 2011 NBA Finals and hosted events during the 2010 NBA All-Star Weekend.

Not solely a sports mecca, Pollstar and Billboard consistently rank American Airlines Center among the top-10 arenas of its kind in the world for concerts. It has hosted major concerts and events, such as Coldplay, Garth Brooks, U2, The Rolling Stones, Billy Joel, Elton John, Taylor Swift, George Strait, Tom Petty, Imagine Dragons, Madonna, Justin Timberlake, and Bruce Springsteen, among others.

American Airlines Center was designed to keep ice in perfect condition, even when the Texas heat blazes outside. To maintain a constant temperature of 64-68 degrees, the building has a separate chiller system just for the slab, eight miles of one-inch pipe and 300 tons of refrigeration. In addition, a 4,200-ton air-conditioning system and a dehumidification system extract 500 gallons of moisture per hour during the season. The ice is put into place each September and takes 24 hours to build up to the 1-inch depth the players are accustomed to. The ice stays in the Center until the playoffs are complete and is covered up during the season with a special material called Polar Floor, a fiberglass product that keeps the ice cold and allows the air temperature above to rise without affecting the ice. The Zamboni is retrofitted with a Fast Ice system, the latest technology that allows the ice maintenance crew to cut the ice quickly in order to keep the ice smooth and fast.

In its 17th year, American Airlines Center still pushes the envelope with technology. In 2009, the Center set the standard for hockey and basketball arenas by installing the first 1080 high-definition center scoreboard in the NHL and NBA, increasing digital video throughout the arena bowl by 300 percent. Matching the spectacular HD video experience is a state-of-the-art concert quality sound system. The digital line array audio system delivers audio effects that the American Airlines Center visitor can both feel and hear. Using a patented retractable seating system, the Center can convert from an ice rink to a basketball court or concert setting in less than two hours.

H-E-B CENTER AT CEDAR PARK

Northland Properties Corporation, the parent holding company of the Dallas Stars, purchased the Texas Stars, Dallas' development affiliate in the American Hockey League (AHL), in December, 2014, announcing that the transfer of ownership from Hicks Cedar Park, LLC had been successful and was approved by the AHL Board of Governors. Texas Stars, L.P. now operates the city-owned H-E-B Center at Cedar Park, located in Cedar Park, Texas, under a long-term lease running through 2034.

"H-E-B Center at Cedar Park, and the land surrounding it, is located in one of the fastest growing regions of the United States," Northland President and Dallas Stars Owner Tom Gaglardi said. "The opportunity to grow the area's footprint as the top-flight entertainment region in Central Texas is immense, and we are looking forward to engaging with the city of Cedar Park to make that happen."

H-E-B Center at Cedar Park holds 6,863 seats for hockey, 7,200 for basketball and up to 8,700 for concerts and other events. The state-of-the-art arena has 24 suites (including four party suites) and 545 club seats with a private club lounge. The building hosts more than 130 events per year including sporting events, concerts, and family shows. H-E-B Center at Cedar Park is home to the 2014 AHL Calder Cup champion Texas Stars. The building also serves as the home court to the Austin Spurs, the G League affiliate of the 2014 NBA champion San Antonio Spurs. Since opening in September of 2009, H-E-B Center at Cedar Park has hosted world-class performers and events such as George Strait, Rascal Flatts, Alan Jackson, Tool, Jason Aldean, Def Leppard, Eric Church, Cirque du Soleil and Disney On Ice.

"Since coming to Cedar Park, the Texas Stars have been a wonderful partner of ours in bringing world-class sports and entertainment to the area," said former Cedar Park Mayor Matt Powell. "We look forward to working closely with Northland Properties and the Dallas Stars in this outstanding partnership as we continue to fulfill the vision of H-E-B Center at Cedar Park and the city."

In its first nine seasons of existence, all of which have been as the affiliate of the Dallas Stars, the Texas Stars have proved to be one of the most successful franchises in the AHL. The team captured its first Calder Cup championship in 2014. The club has made three trips to the Calder Cup Final (2010, 2014, 2018), qualifying for the postseason in seven of its nine seasons (2010, 2011, 2013, 2014, 2015, 2016, 2018), and has posted 40-win campaigns four times. Many of the Dallas Stars' young core of NHL players have spent time skating for the Texas Stars including captain Jamie Benn, defensemen John Klingberg and Esa Lindell, and forwards Radek Faksa and Devin Shore.

"Since Northland Properties purchased the Texas Stars, we've been thrilled with the tremendous opportunities H-E-B Center at Cedar Park has provided for our organization," said Texas Stars President Brad Alberts. "Owning and operating our own AHL affiliate and the venue in which it plays has been immensely beneficial in creating a seamless process to develop not only the future stars of the NHL, but our coaching and front office staffs, as well. The state-of-the-art facility provides an incredible experience for fans and teams alike, and has been the driving force in bringing top-name performers to the heart of Texas."

DR PEPPER ARENA

The Dallas Stars Organization opened Dr Pepper Arena in June 2009. The arena is located in the flourishing community of Frisco, Texas and is surrounded by a number of retail shops, restaurants and hotels, and has become a premiere entertainment venue in Collin County.

Home to the Dallas Stars Executive Offices and the Texas Legends, the Dallas Mavericks' G-League affiliate, Dr Pepper Arena seats up to 6,000 people and features amenities such as a state-of-the-art sound system, three 11'X19' HD video screens, 12 suites and a private lounge area.

Formerly known as Deja Blue Arena at Dr Pepper StarCenter, the original facility, which was opened in 2003, underwent a major renovation through a partnership between the Dallas Stars, the City of Frisco and the Frisco ISD. Dr Pepper Arena's capacity nearly doubled, increasing from 3,500 to just over 6,000.

Nearly ten years later, the arena is again undergoing renovations to the concourse while also introducing a new concessionaire, RS3, as it continues to remain at the forefront of the entertainment industry. The renovations will feature state-of-the-art food and beverage services specifically tailored to highlight the unique atmospheres of each event. RS3 will also offer a wide selection of beers, wine and spirits at different bars located throughout the arena.

The venue hosts a variety of sporting events, concerts, family shows and trade and corporate conventions. Its versatility and intimate environment creates an environment that allows patrons to get the full experience of every event, while simultaneously providing an ideal venue for entertainers. Dr Pepper Arena welcomed more than 250,000 people through its doors for over 110 events in 2017-18, including Frisco ISD graduations which have been held annually at the arena since 2009. Additionally, the Harlem Globetrotters and Cirque Du Soleil, who have performed at Dr Pepper Arena in the past, will both be returning in 2019, as will the Men's and Women's Lone Star Conference Basketball Championship.

STARCENTERS

When the Stars moved from Minnesota to Texas, the Club made exposing the Dallas/Fort Worth community to hockey an organizational priority. By constructing and operating several StarCenters throughout the Metroplex, the team has been able to have direct involvement with developing and growing the game of hockey in the greater Southwest region.

The Dallas Stars are one of the few teams in the NHL to design and build their own practice facility and arena, run in partnership with the City of Frisco. The team also sets the pace in the NHL among clubs that form partnerships with communities to create public skating facilities, a trend which is picking up momentum around the League. The facilities in Euless, Farmers Branch, Frisco and McKinney, as well as the recently-opened StarCenter in Mansfield, were all built in partnership with those respective cities, while there are also StarCenters in Plano, Richardson and Valley Ranch. Additionally, the StarCenter in McKinney is expanding their facility to include a third ice sheet.

The Stars have come a long way since moving to Dallas in 1993. When the team first set foot in Texas, there were five total sheets of ice in the area (two of which were at shopping malls and didn't host hockey). At that time, there were no high school or travel hockey teams, while only 200 local children were playing the sport and just 225 adults playing in recreational leagues.

As of the Summer of 2018, there were more than 13,000 North Texas kids and nearly 8,000 adults skating and playing recreational hockey on over 20 sheets of ice in the area, including more than 40 high school hockey teams participating in the Stars-run AT&T Metroplex High School Hockey League.

With all the success the Stars have had growing the game and working with USA Hockey & TAHA, it's no surprise that the Lone Star State is beginning to produce world-class hockey talent. Since 2005, 14 native Texans have been drafted into the National Hockey League, including eight who hail directly from the Metroplex (Dallas, Plano, Coppell, Arlington and Lewisville). Ten of those players have been selected since 2008, making Texas a top-15 producer of American NHL draftees in that span. In the summer of 2013, Plano native Seth Jones was selected fourth overall in the NHL Draft by the Nashville Predators, the highest a native Texan has ever been selected.

The Dallas Stars continue to play a crucial role in the grass roots development of the sport in Texas through Rookies, a four-week, try-hockey-for-free program, and Fitness Stars, a physical education program dedicated to reinforcing the importance of a healthy lifestyle through clean eating and unique physical activities. Through these programs, kids will be introduced to the sport of hockey and invited to be part of the Dallas Stars' family for the rest of their lives.

DALLAS STARS FOUNDATION

The Dallas Stars Foundation was established in 1998 to serve as a positive force throughout the Dallas/Fort Worth Metroplex. The heart of the Dallas Stars Foundation is to invest in our communities by creating unique programs that nurture and enrich the lives of those in need.

Since 1998, the Foundation has awarded more than $5 million to local charities through their charitable grants program. Over the years, the Foundation has partnered with numerous non-profit agencies that focus on a myriad of worthwhile causes, including youth hockey, medical and other basic needs for disadvantaged youth, educational and social issues, family support and crisis intervention.

The Dallas Stars Foundation has three pillars of focus for their giving, programs and partnerships: youth hockey, community engagement and health and education. To date, the Foundation has made in-kind and ticket donations to over 1,300 different organizations including schools, non-profit organizations and sports related programs.

Through donations made by the Dallas Stars, Dallas Stars players, season ticket holders and the Dallas Stars Foundation via the community tickets program, nearly $500,000 in tickets were donated to local charitable organizations in 2017-18.

Dallas Stars players and staff actively participated in various fundraising events and community events including school and hospital visits, totaling over 690 hours volunteered this past season.

Through the continued work of the Foundation, the Dallas Stars organization pledges to support the Metroplex and the state of Texas in order to support community efforts through the great game of hockey.

YOUTH HOCKEY PROGRAMS

The Dallas Stars launched the Rookies program in October 2013 and focuses on teaching children the fundamentals of hockey, the program provided them with all the necessary equipment for the duration of the four-week period. By giving children the opportunity to try the sport of hockey with no strings attached, the program has been the catalyst for growing the sport in Texas.

The Rookies program was influenced and designed by former Stars forward Mike Modano and initially offered for children ages 4-8. Since the inception of the first-of-its-kind program in September 2013, over 4,700 children across 11 ice rinks in Dallas, Austin and College Station have been introduced to the sport of hockey. As a result of its overwhelming success, the Rookies program expanded to include boys ages 9-14 and girls ages 4-14 in 2016. Throughout the duration of the program, over 40% of enrolled participants made the commitment to continue with a paid hockey program following the four-week session.

As of the Summer of 2017, the Rookies program extended outside of the Metroplex to include Austin College Station and Shreveport, La., offering more children the opportunity to try the sport of hockey for free. The Dallas Stars organization is actively looking to expand the program in the current markets as well as finding new ice facilities in the Southwest to grow Little Rookies beyond the state of Texas.

FITNESS STARS

Fitness Stars enters its sixth season after launching at the start of the 2013-14 season. Originally created as a physical education program aimed at fighting childhood obesity through hockey-based fitness challenges, Fitness Stars was offered at 28 DFW area schools in its inaugural season, reaching over 15,000 children.

Due to the program's overwhelming success, Fitness Stars has since expanded and is now offered in over 300 schools in the Dallas/Fort Worth Metroplex and is expected to impact over 206,000 children. Participating schools include Allen ISD, Carrollton-Farmers Branch ISD, Forney ISD, Fort Worth ISD, Frisco ISD, Garland ISD, Grand Prairie ISD, Irving ISD, Lewisville ISD, McKinney ISD, Wolfe City ISD, Wylie ISD, in addition to two individual charter schools.

The Fitness Stars Program is dedicated to reinforcing the importance of a healthy lifestyle through clean eating and unique physical activities. The program is designed to fit within the current curriculum of Physical Eduation teachers to help emphasize the programs and healthy options already in practice.

SEASON REVIEW

GETTING HITCHED

Stars head coach Ken Hitchcock earned his 800th career win on Dec. 21 against Chicago, becoming just the third coach in NHL history to reach the 800-win mark. Hitchcock joins Scotty Bowman (1,244) and current Blackhawks head coach Joel Quenneville (884) as the only three coaches in NHL history to record 800 wins in their careers.

The Edmonton, Alta. native recorded his 783rd career win on Oct. 14 against the Colorado Avalanche, moving him into sole possession of third place on the NHL all-time wins list. Hitchcock also coached his 1,500th career NHL game on Jan. 16 at Detroit, becoming just the fifth coach in NHL history to appear in 1,500 games behind the bench. Hitchcock also ranks fourth all-time with 1,536 career games behind the bench over 21 seasons with Dallas, Philadelphia, Columbus and St. Louis, posting an 823-506-88-119 record over his coaching career. He currently ranks first in Stars franchise history in games coached (585) and wins (319) and points percentage (.614).

THE CAT IN THE HAT

Stars captain Jamie Benn wrapped up the 2017-18 campaign by recording eight points (7-1=8) over the final three games of the season, securing the NHL's First Star of the Week honors. Over that three game span, Benn scored a hat trick in two of them – on April 3 at San Jose and April 7 at Los Angeles, notching the game-winning goal in both.

Benn is the first Stars player to score three-or-more goals twice in a span of three games since the 2003-04 season when Bill Guerin notched hat tricks on Oct. 29 and Nov. 2. The Victoria, B.C. native becomes the fourth player in Dallas Stars history, and the seventh player in franchise history, to record two hat tricks over three games.

The Stars boasted four players who each recorded at least 65 points during the 2017-18 campaign in captain Jamie Benn (36-43=79), forwards Tyler Seguin (40-38=78) and Alexander Radulov (27-45=72), and defenseman John Klingberg (8-59=67). Dallas' four 65-plus point scorers were the most by any team in the Western Conference and tied for the most on any team in the League, joining the Philadelphia Flyers, Washington Capitals and Florida Panthers.

This marks just the second time in Dallas Stars history that the team has had at least four players record 65-or-more points in a single season, and is the first since the 2005-06 season when Mike Modano (27-50=77), Jason Arnott (32-44=76), Sergei Zubov (13-58=87) and Brenden Morrow (23-42=65) all reached the 65-point mark. It is also the 12th time in franchise history (since 1967-68) the team has had at least four 65-point scorers, while the four are tied for the most since the 1989-90 campaign when the Minnesota North Stars had six players record at least 65 points.

TYLER THE CREATOR

Forward Tyler Seguin established new career highs in 2017-18 with 40 goals and 14 power play goals, pacing the Stars in both categories. Seguin's 40 goals in 2017-18 were tied for seventh in the NHL, while he shared sixth in the League in power play goals. The native of Brampton, Ont. finished the season second on Dallas with 78 points (40-38=78) and was one of five Stars players to appear in all 82 games of the regular season.

Seguin also established a new career high in time on ice as he averaged 20:55 of ice time per game, almost a full 1:30 more than the previous high of 19:33 (2014-15). He also wrapped up the 2017-18 season with a team-best 54.9% faceoff win percentage, posting new career marks in faceoff wins (790) and total faceoffs taken (1440).

With his 40 goals in 2017-18, Seguin has now eclipsed the 30-goal plateau for the fourth time in his career, all of which have come in the five seasons since joining the Stars. He becomes just the third player in franchise history to join the organization and record at least 30 goals four times in his first five seasons, joining Dave Gagner and Steve Payne.

Seguin has now scored 173 goals in a Stars sweater and is tied with Mike Modano for the most goals scored by a Stars player in his first five seasons with the club. The forward is also just one of three active NHLers to score 30+ goals in at least four of the past five seasons, joining Alex Ovechkin (Washington) and Max Pacioretty (Montreal).

ACCOLADES & HISTORY

7 | NEAL BROTEN

Neal Broten began his NHL career with a bang, being named the franchise's Rookie of the Year after setting team records that still stand for most goals, assists and points by a rookie (38-60=98) in the 1981-82 season. Sixteen seasons later, Broten retired as the club's all-time leader in games played (992), assists (593) and points (867) and is fourth in team annals in goals (274). The team's Most Valuable Player in 1984 and 1986, Broten participated in the NHL All-Star Game in 1983 and 1986. In that 1985-86 campaign, he became the first American-born player to record 100 points (105) and set the current club mark for most assists in a season with 76. Moving with the team to Texas in 1993, Broten scored the first-ever goal in Dallas Stars history on October 5, 1993 against Detroit. Broten's number seven was retired by the Stars on February 7, 1998 and he was inducted into the U.S. Hockey Hall of Fame in 2000.

8 | BILL GOLDSWORTHY

Bill Goldsworthy began his NHL career with the Boston Bruins in 1964, appearing in just 33 regular-season games and earning 12 points (6-6=12) over parts of three seasons with the Bruins before he was selected by the Minnesota North Stars in the expansion draft in 1967. Goldsworthy would make a name for himself in the NHL with the North Stars through goal-scoring and the invention of his signature goal celebration, the Goldy Shuffle. Goldsworthy registered five 30+ goal seasons in his career, all coming while he was in Minnesota. The native of Waterloo, Ont. was the first player from a post-1967 expansion club to reach the 200- and 250-goal mark, while he eclipsed the 500-point plateau during the 1976-77 season to become the first player in Minnesota North Stars history to accomplish the feat.

Goldsworthy finished his 10-season career with the North Stars in 1977. Over that span, he registered 267 goals, 239 assists and 506 points (267-239=506) in 670 regular-season games. He currently ranks fifth all-time in goals (267), sixth in game-winning goals (34), 10th in points (506) and third in shots on goal (2,237). Goldsworthy was also named to an All-Star four times during his career (1970, 1972, 1974 and 1976). In recognition of his accomplishments, Goldsworthy's number eight was retired by the organization on February 15, 1992. Goldsworthy passed away on March 29, 1996 at the age of 51 due to complications from AIDS.

A seven-time NHL All-Star, 2014 Hockey Hall of Fame class member, and United States Hockey Hall of Fame inductee, Modano is also the American-born record holder in goals (561) and points (1,374). He was also instrumental in helping the Stars capture the 1999 Stanley Cup championship. The Livonia, Mich., native skated for Team USA at the Olympic Games on three separate occasions, winning the silver medal at the 2002 Games in Salt Lake City. He also captured the gold medal at the 1996 World Cup of Hockey; and was captain of the United States squad at the 2005 World Cup. Modano was drafted first overall in 1988 by the Minnesota North Stars.

On March 8, 2014, the Dallas Stars honored Mike Modano, the greatest player to wear a Stars uniform, by retiring his iconic number 9.

19 | BILL MASTERTON

Bill Masterton was a member of the Minnesota North Stars inaugural NHL team in 1967-68, recording 12 points (4-8=12) in 38 contests before suffering a fatal head injury in a game on Jan. 13, 1968.

A native of Winnipeg, Man., Masterton attended the University of Denver where he played for three seasons with the Pioneers in the Western Collegiate Hockey Association (WCHA), winning two National Championships in 1960 and 1961. The first player to sign with the new Minnesota club, Masterton made his NHL debut in the team's inaugural game on Oct. 11, 1967 against the St. Louis Blues, scoring the first goal in franchise history. In a game against the Oakland Seals on Jan. 13, 1968, Masterton suffered a severe head injury when his head hit the ice after being checked. The 29-year-old would eventually succumb to his injury as he passed away just two days later on Jan. 15.

In his memory, the Professional Hockey Writers' Association created the Bill Masterton Memorial Trophy in 1968, an award presented annually to the "National Hockey League player who best exemplifies the qualities of perseverance, sportsmanship and dedication to hockey." Masterton's number 19 has never been worn by another player in franchise history, and was retired by the organization on January 17, 1987.

26 | JERE LEHTINEN

Jere Lehtinen was originally selected by the Minnesota North Stars in the fourth round (88th overall) of the 1992 NHL Draft before making his NHL debut with Dallas in 1995-96. Lehtinen played his entire 14-season NHL career in a Dallas Stars sweater and recorded 514 points (243-271=514) in 875 regular-season games, landing himself on the Stars franchise leaderboard in a number of categories.

At the time of his retirement on Dec. 8, 2010, the Espoo, Finland native ranked third in franchise history in games played (875), seventh in goals (243), eighth in points (514) and 10th in assists (271). Lehtinen also finished third in game-winning goals (37) and sixth in power play goals (77), while he continues to sit atop the franchise leaderboard with a career +174 plus/minus rating.

Best known for his two-way play, Lehtinen won the Frank J. Selke Trophy as the NHL's top defensive forward three times in 1998, 1999 and 2003. The forward also earned recognition being named to the 1998 All-Star Game, his only All-Star appearance in his 14-season career. Lehtinen helped the Stars capture the 1999 Stanley Cup, finishing tied for second on the team with 10 goals and ranked fifth with 13 points (10-3=13) while appearing in all 23 postseason games during the team's championship run.

On Nov. 24, 2017, the Dallas Stars recognized Lehtinen's illustrious career by retiring his number 26. Lehtinen is the fifth player in Stars franchise history to have his number retired, and the third since the club moved to Dallas before the 1993-94 season.

ON JANUARY 24, 2007, THE STAGE WAS SET FOR DALLAS TO HOST THE 55TH NHL ALL-STAR GAME AT AMERICAN AIRLINES CENTER.

This marked the first time since the team moved to Dallas that it was hosting the All-Star festivities, and just the second time in franchise history as the club also hosted the 1972 All-Star Game in Minnesota. Defenseman Philippe Boucher and goaltender Marty Turco represented the Stars in the game as they both were voted onto the Western Conference roster through the fan voting process, while Boucher was named a starter in the contest, replacing Anaheim's Scott Niedermayer who could not play in the game due to injury.

Former Dallas bench boss Lindy Ruff also participated in the All-Star Game as he was named head coach of the Eastern Conference All-Stars. With a capacity crowd of 18,532 on hand, the West defeated the East in the contest by a final score of 12-9, with then-Buffalo Sabres forward Daniel Briere being named the MVP of the game.

On October 14, 1995, the Stars set a franchise record for the fastest three goals in a game, scoring three times in 44 seconds of the final minute of the third period to cap an exciting 6-5 comeback victory over Boston at Reunion Arena. Trailing 5-3, Kevin Hatcher banged home a rebound at 19:11 of the third period to pull the Stars within one goal. At the 19:44 mark, Mike Modano fired a wrist shot past Bruins' goalie Craig Billington to even the score at 5-5. On the ensuing faceoff, Mike Kennedy hustled to the corner to Billington's left, dug the puck loose and sent a centering pass to Guy Carbonneau, who fired the puck past Billington at 19:55 for the win. According to the Elias Sports Bureau, it is the only game in NHL history that a team trailed by two goals in the final minute of the game and came back to score three goals and win the game in regulation.
